

Edward Is Bedward

Page One

O, what a day!
What a day we have had!
Helen and Mae,
Paisley, Mom and Dad.

Page Two

We all were together
And always will be.
Helen and Mae,
Mom, Dad and Paisley.

Page Three

Edward, the youngest,
Edward, the son,
Now, Edward is Bedward
And his day is done.

Page Four

Sweet dreams await us,
No danger endure..
Tomorrow, new morning!
Of that, we are sure.

Page Five

Mom and Dad are up first,
And help us all day.
Wagging comes Paisley,
Then Helen, then Mael

Page Six

Edward, the youngest
Edward, the son.
Now, Edward goes forward.
His adventure, begun.

Page Seven

Bravely, he smiles
All through the day.
Come night, Edward is Bedward,
And he makes his own way.

Page Eight

Brave soul that he is,
He makes his own way.
And Edward is Bedward
As are Helen and Mae.

Mom and Dad, love you so.
And that's all you need know.
